Report of Road Commissioner

I have resurfaced 250 rods of gravel work on roads No. 5 and Cold River road, at a cost of \$531.30 one half was paid by the State. Six hundred and forty loads of gravel used in this was donated by the Vermont Marble Co.

I have repaired fourteen and put in four new culverts. The culverts now, as a general thing are in good shape

I have spread 24,482 sq. yds of oil on roads as follows—

8816 sq. yds. on road No. 1

7834 sq. yds. on road No. 2

7832 sq. yds. on road No. 3

and later 622 gallons on road No. 3 from city line to R. R. bridge, total cost \$535.29. The state agreed to pay for this, but owing to a misunderstanding; at the time of making this report we have received only one half, but expect balance soon. I have drawn orders to the amount of \$2,710.02.

The following orders are on the Proctor Trust Company.
